EDITORIAL.

North Platte will have to do better about littering up the Court House lawn on Band Concert night or the Court House authorities will be justified in refusing to allow the concerts to be held there. People spread out newspapers to sit on and then leave them on the grass. Others tear up programs, paper bags, popcorn papers and scatter other litter about as tho they just came in from the tall grass. All parks must be kept clean and unless they are kept that way they become an eyesore and a nuisance. We approve of the efforts of the authorities to keep the park clean and urge the people to carry away or deposit in trash receptacles, whatever refuse they take there.

In demanding the removal of all obstructions from the alleys to be paved the Council has taken the proper stand. Now it is up to the persons concerned to comply with the demand as gracefully as possible. It is safe to say that the Electric Light and Power Co. has a franchise which will permit it to resist the voice of authority. We would not expect the gentlemen who have this franchise to take such a stand because they are not invulnerable and when the people speak it is not wise for those who have privileges to antagonize their wishes. The Western Union has placed its wires under the paving on the north end of Dewey and the manager says they have not had any trouble. Hundreds of other cities do not allow any wires above ground in the business district. Wires on poles are a constant menace in time of storm and a peril to those fighting fire. Underground conduits can be waterproofed and insulated for it is done all over the country. We approve of the stand of the Council and urge the prompt compliance with its request on the part of all concerned so that these may be no delay in getting these alleys into a sanitary condition.

Mothers you should see the wonderful values that are being offered in play suits, rompers, creepers and waists on sale—95c, \$1.25, \$1.45, \$1.95 and up at The Leader Mer. Co.

CHURCH PICNIC.

The Annual Picnic of the Episcopal Church will be held at the City Park next Thursday afternoon and evening, August 26. At 2:45 p. m. automobiles will be in waiting at the church to carry the children to the picnic grounds. In the evening at 6:30 cars will start from in front of Dixon's Jewelry store to convey those who were not able to get away in the afternoon. All members and friends of the Episcopal Church Parish are cordially invited to be present.

CARD OF THANKS.

We wish to extend to our neighbors and friends our deep felt gratitude for their many acts of kindness and sympathy extended in our hour of bereavement in the death of our daughter and sister.

Mr. and Mrs. Anton Stenner and family.

Miss Nora Coons, of Brady, is visiting friends in the city this week.

Miss Elizabeth Hanlon went to Scotts Bluff this morning to visit.

Dr. J. B. Redfield left this morning for Ogallala to transact business.

Mrs. W. A. Buchanin and children left yesterday for Grand Island to visit relatives for a week or longer.

Mrs. Guy Congdon and children left this morning after visiting at the D. C. Congdon home for several weeks.

Chas. Pass returned Wednesday night from a two months' visit with his son Leo in Washington, D. C., and with friends in Kentucky. Leo's friends will be pleased to learn that he is getting along splendidly and has received several promotions within the past year or two.

MOTHERS—Neglected troubles in the eyes of your child may lead to serious results in later years. Children have no means to judge whether the eyes are as they should be. Neither have you. Observe cases tax the ingenuity of skilled optometrists, assisted by modern equipment. We are especially trained and equipped to answer eye questions for you. Dixon & Son, Sight Specialists.

Be sure you can get after service on any car you buy. Every day people who have bought either used or new cars of the more or less unknown makes, for whom there is now no local dealer, come to our service station for parts of service. Many are disappointed as we only sell and give service on our own two good cars—Dodge Brothers and Chandler. Yes—it will surely pay you to make sure of the stability of the dealer from whom you buy your next car. We have always carried repair parts for the cars we sell, and can give you immediate service. J. V. ROMIGH—DEALER.
